and

Practical information

For those attending in person:

The meeting will be held at:

Room 1201

Illinois College of Optometry

3241 S. Michigan Ave.

Chicago, IL 60616

Important: **Masks will be required while inside any rooms at the Illinois College of Optometry. Anyone that will be traveling into Chicago and NOT vaccinated would fall under the Chicago Travel Advisory and be required to self-isolate for 7 days (with testing on arrival) and 10 days (without testing upon arrival) to Chicago.******

For those joining online:

A day before the event we will send a reminder. Please make sure to:

- join 15 minutes before the start of the meeting,
- mute your mics so there is no disruption to the sessions,
- If you want to ask a question, please use the chat function and
- do not join simultaneously from a phone and computer.

For those interested in the COPE credits:

- When you join the COPE course, please ensure that your name is clearly shown in your screen.
- You need to be present in the session no later than 10 minutes after the start and remain in the lecture.
- We will control attendance to the course and you must respond to the polls and to the feedback survey that will be sent after the course.
